

Pray for Beirut:

Huge blast rocks Lebanon

Please pray for Beirut after a large blast kills at least 154 people and injures thousands:

- Please pray for all those who have lost loved ones in the explosion, that they would know God's comfort.
- Pray for those who have been injured, or whose homes and offices have been damaged by the blast.
- Please pray for the doctors, nurses and paramedics who are caring for the injured. Pray that they would have energy and wisdom, and that hospitals would be able to cope with the number of patients they are taking in.
- The people of Lebanon have already faced so much this year – from a collapsing economy, the spread of Covid-19. Please pray for hope for those who are feeling hopeless, and that Christians can be a positive witness in this challenging time.
- Our partners at the Lebanese Society for Educational and Social Development (LSESD) are under a lot of stress (both mentally and physically) as they seek to support the most vulnerable in an increasingly volatile context. Pray for wisdom, energy, protection and strength for this dedicated team.
- Pray for refugees living in Lebanon, who may be reminded of past trauma following the explosion. Pray for BMS work supporting Syrian refugee children in Beirut.
- Pray for staff and students at the Arab Baptist Theological Seminary (a department of LSESD), based in Beirut. Pray that they would experience the peace of Christ and would be used as vessels to bring that peace to others.
